Repairs and replacement of parts (buckles, D-rings, straps etc.) is all based on an individual estimate.	Estimate

Repair - if needed/interested I will be happy to give you an estimate - please note it on the tag. Repairs only on items cleaned by me.

*Waterproofing/disinfection is done per instruction from the vendors, but due to the different conditions of the blankets etc. I cannot guarantee the result.

I only use the natural vegetable-based soap cleaner for animal rugs, Nikwax, which does not harm the skin of your horse. Also, waterproofing detergent for animal rugs is from Nikwax.

Payment: Cash, check or Venmo is gladly accepted.
